

**REMARKS**

This is supplemental to the Amendment filed September 30, 2009. Claims 1-8 are pending in the application. Claims 2-5 are amended to make it clear that they, like claim 1, cover N-oxides, isomers, and pharmaceutically acceptable salts of the recited compounds. No new issues are raised by this amendment of claims dependent from allowable claim 1. Therefore, entry of this Supplemental Amendment is in order and is earnestly solicited.

Should there be any questions concerning the present application, the Examiner is respectfully requested to contact Richard Gallagher (Reg. No. 28,781) at the telephone number of the undersigned below.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37.C.F.R. §§1.16 or 1.14; particularly, extension of time fees.

Dated: October 15, 2009

Respectfully submitted,

By
